THE MUSIC OF BEES

By Eileen Garvin

Beautifully moving, warm, and uplifting, *The Music of Bees* is about the power of friendship, compassion in the face of loss, and finding the courage to start over and stand up (at any age!) when things don't turn out the way you expect.

Eileen Garvin is a beekeeper and writer living in Hood River, Oregon.

Get a copy of the book. Once you've read it, bring it back so that others can read it, too.
